

IMPORTANT NOTICES

This announcement contains (or may contain) certain forward-looking statements with respect to certain of Bowleven's plans and its current goals and expectations relating to its future financial condition and performance and which involve a number of risks and uncertainties. Bowleven cautions readers that no forward-looking statement is a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking statements. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as "aim", "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", or other words of similar meaning. Examples of forward-looking statements include, amongst others, statements regarding or which make assumptions in respect of the planned use of the proceeds of the Placing, the Group's liquidity position, the future performance of the Company's principal subsidiary undertakings (EurOil and FirstAfrica Oil Limited), the on-going exploration and appraisal of the Group's portfolio of West African assets, the timing of the commencement of any development of and future production (if any) from those assets, the ability of the Bowleven group to discover new reserves, the prices achievable by the Bowleven group in respect of any future production, the costs of exploration, development or production, future foreign exchange rates, interest rates and currency controls, the future political and fiscal regimes in the overseas markets in which the Bowleven group operates, the Group's future financial position, plans and objectives for future operations and any other statements that are not historical fact. By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances, including, but not limited to, economic and business conditions, the effects of continued volatility in credit markets, market-related risks such as changes in the price of oil or changes in interest rates and foreign exchange rates, the policies and actions of governmental and regulatory authorities, changes in legislation, the further development of standards and interpretations under International Financial Reporting Standards ("IFRS") applicable to past, current and future periods, evolving practices with regard to the interpretation and application of standards under IFRS, the outcome of pending and future litigation or regulatory investigations, the success of future explorations, acquisitions and other strategic transactions and the impact of competition. A number of these factors are beyond Bowleven's control. As a result, Bowleven's actual future results may differ materially from the plans, goals, and expectations set forth in Bowleven's forward-looking statements. Any forward-looking statements made in this announcement by or on behalf of Bowleven speak only as of the date they are made. Except as required by the Financial Services Authority (the "FSA"), the London Stock Exchange, the AIM Rules or applicable law, Bowleven expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained in this announcement to reflect any changes in Bowleven's expectations with regard thereto or any changes in events, conditions or circumstances on which any such statement is based.
